MAINE HEALTH ACCESS FOUNDATION

Community-Based Initiatives Learning Community Meeting Access to Quality Care • Healthy Communities • Thriving in Place

9:00 a.m. – 3:15 p.m. • March 8, 2017
Maple Hill Farm; 11 Inn Road; Hallowell

8:30 - 9:00	Registration and Breakfast	Holly Irish , Program & Communications Assistant <i>Maine Health Access Foundation</i>
9:00 - 9:30	Welcome, Agenda Overview, and Introductions <i>(The Gathering Place)</i>	Barbara Leonard , President & CEO Ruta Kadonoff , Senior Program Officer Charles Dwyer , Program Officer <i>Maine Health Access Foundation</i>
9:30 - 11:30	Using Data Placemats to Understand and Interpret Evaluation Data <i>(The Gathering Place)</i> Data placemats are graphic displays of information; they allow evaluators to share preliminary findings with stakeholders before they're final. Grantees will work in teams to make meaning and offer explanations of the findings. Evaluators will receive input, conduct further analysis as needed, and use the information for the final report. Grantees will discuss how the issues raised in the session relate to their local evaluation efforts.	Susan Foster, MPH, MSSW Teresa Doksum, MPH, PhD Polly Arnoff, MSW <i>SE Foster Associates</i>
11:30 - 12:30	Lunch and Networking <i>(The Gathering Place)</i>	All Attendees
12:30 – 1:30	Open Space - Cohort Discussions: Healthy Community Grantees - <i>The Gathering Place</i> A2QC Grantees - <i>Gallery</i> Thriving in Place – <i>The Carriage House</i>	Barbara Leonard , President & CEO Ruta Kadonoff , Senior Program Officer Charles Dwyer , Program Officer <i>Maine Health Access Foundation</i> Carole Martin , Consultant All Attendees
1:30 – 1:40	Stretch Break – Transition to Large Group Discussion	All Attendees
1:40 - 2:00	Report Back from Small Groups <i>(The Gathering Place)</i>	Carole Martin , Consultant All Attendees
2:00 - 3:15	Community-Based Participatory Research: Academic-Community Partnerships for Health <i>(The Gathering Place)</i> In this session, attendees will learn about community-based participatory research, and how this approach can improve learning, engagement and project sustainability for both community and academic partners.	Becca Boulos, MPH, PhD Executive Director <i>Maine Public Health Association</i> Senior Research Associate <i>University of Southern Maine</i> Adjunct Faculty <i>Tufts University</i>
