

## Healthy Community Grantee Learning Session

### AGENDA

March 30, 2016

9:00 am – 3:30 pm

Maple Hill Farm, Hallowell

**By the end of the session participants will:**

- Share current areas of curiosity and concern and gain additional insight and ideas from peers;
- Learn ways of using the information collected through the Network survey tools to analyze and support the functioning of the collaboration;
- Increase understanding of shared leadership and the facilitative leadership model;
- Examine how the facilitative leadership approach is being used in Healthy Communities;
- Explore how shared leadership is working your own project and how it may be adapted to promote greater value;
- Find out more about the next phase of evaluation and the plans for implementation;
- Provide input at a critical juncture of the Healthy Communities Implementation RFP development.
